Request Type Ticket Submission Options

- **Support Request** - For technical issues in platform or downstream reporting.

- **Billing Request** - For requesting new resell products and corresponding pricing

- **Data Requests** - For new data feeds, reports, or forecasts not available within the platform. Please also use this option to request new segments or audiences to be created or refreshed.

- **New Partner Request** - Formally request Madhive to evaluate opportunity with a 3rd party data, supply or reporting provider.

- **Supply Request** - For Deal ID / SuperTag creation requests, or O&O inventory activation.
